Secretary
Vince Tata
**Immediate Past
President**
Charles Stiles

August 19th Meeting

The meeting was called to order by President John Woolston. The Invocation by Tom Mere. Our Song Leader was Susan Barrier and her selection was "Hello, My Baby". It was beautifully sung. Our guests today were Jeanine Collins and Sally Mere.

Our speaker was Linda McNabb from Child Care of Southwest Florida, Inc.

Linda told us of some of wonderful ways they teach the young children and their families in their centers.

Charles and Linda McNabb from
Child Care of Southwest Florida.

President John Woolston announced that Vince Tata is in the Hospital. He will be starting rehab soon. Keep Vince and his family in your prayers.

Sheriff Tom Mere was back in charge for revenue sharing. Jim Thompson made the mistake of coming by before the meeting started and was accessed heavily for his appearance on two TV News broadcasts. It was agreed by the membership that the Sheriff pay handsomely for his singing. We had guests and we want to let them know we do know good singing from loud singing! He retaliated with charging everyone else a dollar or two.

Ediphone

of Kiwanis Club of Fort Myers

Kiwanis is a global organization of volunteers dedicated to changing the world, one child and one community at a time.

Frank Lott won the 50/50 and Dilmus Hogan won the lottery ticket.

Kathy announced an opportunity for our club to help the Noon club with Blessings in a Backpack program at the Edgewood Elementary School. Each Wednesday they will pack food items into the backpacks for each child. This food is provided by the government and meant to provide enough nourishment for the weekend. Workers are needed Wednesday at 8:30 A.M.

We are collecting school supplies (no heavy packs of paper, please!) and warm clothing for the Ukraine children we heard about last year. Donations for shipping the items is also welcome. Please call Harris if you have any questions. We will ship these the first part of September.
