## September 30<sup>th</sup> Meeting

The meeting was called to order by President John Woolston. President John Woolston was so frazzled by the small attendance that he forgot the official format of a meeting.

We had lively discussion on many club activities and ways to improve attendance. The program this morning was "Who am I?" Members had to guess the identity of the name Susan showed the other members. Frank Lott had a hard time grasping the fact that he shouldn't give the name away. Jim Thompson stopped by before the meeting to fight for his right to two servings of potatoes. The 50/50 was won by Susan Barrier, Bobby Williams won the lottery ticket.

John Woolston, Charles Stiles, Bobby Williams, Frank Lott and Susan Barrier express their sorrow at the repose of Kathy Woolston.

**Now, don't you wish you had been there?**
